Oral use

4 x / day

Children from 3 to 6 years

5 ml

Children from 7 to 11 years

7,5 ml

Adults and children over 12 years

10 ml

INGREDIENTS for 100 ml

Sweetener: maltitol syrup - Stabiliser: glycerol
- Water - **Fluid extract of plantain** (*Plantago lanceolata*) **7,5 g** - **Fluid extract of liquorice** (*Glycyrrhiza glabra*) **5,0 g** - **Zinc** bisglycinate (zinc 25 mg - for 40 ml: zinc 10 mg, or 100% NRV*) - Acidity regulator: citric acid - Preservatives: sodium benzoate, potassium sorbate - Sweetener: steviol glycosides from stevia. Alc. 2.5% vol.

*NRV = Nutrient Reference Values.

Contains liquorice. People who suffer from hypertension should avoid excessive consumption. Do not use for more than 6 weeks without medical advice.

MODE OF ACTION

► **PLANTAIN** leaves have been used for centuries to **relieve breathing** and to soothe the respiratory tract.

► Originating in Mediterranean regions, **LIQUORICE** has a **soothing action on the respiratory tract**.

► **ZINC** is an excellent antioxidant, which **supports the body's natural defences** against external aggressions such as colds.

Thanks to this unique combination of complementary ingredients, **Plantil®** drinkable solution creates a true synergy of benefits that helps you breathe more easily.

NO ADDED FLAVOURING
