

# EN NOSE SPRAY, CLEARS THE NOSE

Eucalyplus® contains hypertonic water with aromatic oils of eucalyptus, chamomile and myrtle.

## INDICATIONS

► for **clearing the nose** in cases of nasal congestion and as additional treatment for colds and allergic rhinitis.

The hypertonic action of Eucalyplus® clears the nose by an osmotic effect and helps prevent infections from spreading.

► for **cleaning the nose** and removing impurities (pollens, dust, etc.) and mucus.

Good daily nasal hygiene ensures that the vibrating cilia work properly, protecting us against pollution and the risk of infection.

► for **gentle hydration** of the nasal cavities when the mucous membranes are dry : dust, dry, polluted, smoky or air-conditioned environments.

## UTILISATION

4 to 6 x / day

children + 3 years

1 spray/nostril

children + 7 years

1 to 2 sprays/nostril

adults and children  
+ 12 years
