

## Flexofytol<sup>®</sup> PLUS

Ageing, repetitive movements, sports, excess weight, shocks... this is the daily life of your joints. To preserve your mobility as well as your quality of life, it is necessary to take care of your joints.

### USE

Thanks to the synergy of its 3 active ingredients, turmeric, *Boswellia serrata* and vitamin D, Flexofytol<sup>®</sup> PLUS contributes to **keep your joints, muscles and tendons flexible and supple.**

### ACTION

Flexofytol<sup>®</sup> PLUS contains a **exclusive turmeric extract** standardized to curcumin and scientifically studied on more than 2,800 persons in Belgium. The formulation of this extract guarantees an optimal effect to help you keep moving around freely.

**Boswellia serrata** resin, whose active ingredients are boswellic acids, is known for maintaining healthy joints. Just like for turmeric, its benefits have been scientifically studied.

**Vitamin D** helps to maintain the normal functioning of the muscles.

### DIRECTIONS FOR USE

To be taken **during meals** to optimise assimilation of **Boswellia**

CHILDREN FROM 6 TO 11 YEARS OLD	ADULTS AND CHILDREN FROM 12 YEARS OLD
<b>Initial dose :</b> 2  in the morning	<b>Initial dose :</b> 2  in the morning and in the evening
<b>Maintenance dose :</b> 1  in the morning	<b>Maintenance dose :</b> 2  in the morning

Flexofytol<sup>®</sup> PLUS should not be used for children under 6 years of age.

**In case of difficulties swallowing the tablet, it can be cut with a tablet cutter or crushed.**

**Flexofytol<sup>®</sup> PLUS may be used for long periods with a very good gastric tolerance.**

**The use of Flexofytol<sup>®</sup> PLUS may cause coloration of the urine. This is a normal phenomenon due to one of its components.**

**Precautions:** Do not use during pregnancy and breastfeeding or in case of bile duct obstruction. • Consult your doctor or pharmacist in case of concomitant use of anticoagulants.
