Plantigom®

red fruits flavour

SUGAR-FREE

Plantigom combines the benefits of plantain and pelargonium in a **throat gum**. Thanks to their delicious red fruits flavour, these gums will appeal to both young and old.

MODE OF ACTION

PLANTAIN is a plant known for its **beneficial action on the throat.** Its leaves have been used for centuries to soothe irritations and tickling in the throat.

Originally from Africa, **PELARGONIUM** is a valuable **aid to soothe the throat and short-term hoarseness.** This plant is also useful to loosen up the throat in case of a cold.

Thanks to the combination of these two plants, Plantigom offers an optimal and complete solution to quickly soothe the throat.
