THROAT LOZENGE GUMS

Plantigom®

red fruits flavour

Plantigom contains the benefits of plantain in a **throat lozenge gum**. Thanks to their delicious red fruits flavour, these lozenge gums will appeal to both young and old.

MODE OF ACTION

PLANTAIN is a plant known for its **beneficial action on the throat**. Its leaves have been used for centuries to soothe discomfort and tickling in the throat.

Thanks to the benefits of plantain, Plantigom offers an optimal and complete solution to quickly soothe the throat and short-term hoarseness.
