

Plantivox®

Plantivox® combines the benefits of hedge mustard and plantain in a delicious lemon and eucalyptus flavoured **lozenge gum for the voice**.

Hedge mustard and plantain **soften the voice in case of hoarseness or vocal cord fatigue**.

HEDGE MUSTARD

Dry extract : 20 mg/lozenge gum

The hedge mustard is the favourite plant of speakers, actors and singers who use it to make their voice clear in case of **hoarseness or vocal cord fatigue**.

PLANTAIN

Dry extract : 30 mg/lozenge gum

Plantain leaves have been used for centuries to soothe the throat but also **to calm the respiratory tract**.
