

# EN DIGESTIVE HEAVINESS AFTER MEALS

# Digestil®

## Lozenges with digestive plants

Digestil® contains plant extracts that have a beneficial effect in case of uneasy digestion and bloated feeling.

### Ginger

*Dry extract 20 mg/lozenge*

Ginger contributes to a **good digestion**.

### Balm

*Dry extract 10 mg/lozenge*

Ideal at the end of a meal, balm helps to **relax the digestive tract**.

### Camomile

*Dry extract 10 mg/lozenge*

Camomile aids digestion, whilst **soothing the bloated feeling and digestive heaviness**.

## DIRECTION FOR USE

### Children from 6 years

Suck **1 to 3** lozenges daily after meals.

### Adults and children over 12 years

Suck **1 to 6** lozenges daily after meals.
