

Protection of the body against **viruses** and **bacteria** necessarily relies upon the **IMMUNE SYSTEM**, the body's defence system.

Turmeric extract helps maintain the body's **NATURAL DEFENCES** in order to ensure better protection, especially against attacks on the upper respiratory tract.

Vitamin D also contributes to the normal functioning of the immune system.

INGREDIENTS per capsule :

Emulsifier : polysorbate 80 - bovine gelatin (capsule shell)
- humectant : glycerol - **bioactive quercetin 65 mg** -
bioactive extract of curcuma (*Curcuma longa*)
standardised to 42 mg of curcumin - cholecalciferol
(**vitamin D3 2,25 µg** - for 4 capsules per day : vitamin D3
9 µg, or 180% NRV*) - acidity regulator : citric acid - water
- colours : copper complexes of chlorophyll, iron oxides and
hydroxides.

**NRV = Nutrient Reference Values.*

USE

ADULTS AGED 18 YEARS AND OVER

2 to 4 capsules / day
